

Subject: FIS Homologated Timing devices

Dear Partners,

Thank you for a successful winter season.

The HL3-135 photocells have been a great success. Today we are glad to propose you a reliable and easy to use system with the HL3 series.

TAG Heuer have a vast range of products certified by the FIS. Innovation and technological improvements have allowed us to streamline our offerings.

We wish you to be aware that TAG Heuer will not re homologate the following devices highlighted in yellow:

Timers	TAG.070T.08	2023	CP 540	
	TAG.092.14	2029	CP 545
